
Relative abundance of AMR genes: CARD
aminoglycoside
cephalosporin
fluoroquinolone
carbapenem
tetracycline
lincosamide
diaminopyrimidine
macrolide
disinfecting agents and antiseptics
penicillin beta−lactam
glycopeptide
phenicol
nonribosomal peptide antibiotics
aminocoumarin
glycylcycline
nitroimidazole
phosphonic acid
nucleoside
sulfonamide
azole
mupirocin−like
peptide
rifamycin
fusidane
lasso peptide antibiotics
streptogramin
Sample
Resistance genes (grouped by drug class)
Solid feeding (n=59)
Mixed feeding (n=25)
Milk feeding (n=26)
